PARTNER GARAGE

This garage is just 400 m from the Hotel in Via Vittorio Emanuele 109. The entrance ramp is next to the motor bike and bicycle shop, opposite the newspaper stand.

Cost of a parking space is € 10.00 per day. Spaces are limited and we cannot guarantee availability without prior booking.

To book, contact Reception by calling +39 079 953172 or send an e-mail to info@hotelcatalunya.it

The parking slot is available from 2 pm on the day of arrival at the hotel until 1200 noon on the day of departure. It is possible to arrive earlier or leave later, paying a supplement of € 5.00 for day use, subject to availability.

Before proceeding to the garage you need to check in at the Hotel, so that personnel at reception can indicate the slot you have been assigned. You will receive a key for entry to the garage and you will be required to pay a deposit, returnable when you hand back the key to Reception.

Remember the garage is 400 m from the Hotel so we suggest you offload baggage before taking the car to the garage, while on departure we suggest you drive the car up to the hotel and then hand in the key and load your baggage in an easier manner.

Please note that the garage is unattended and we therefore decline any responsibility for damage which might occur to your car when parked and/or loss of items left in the car.
